

REMUNERATION REPORT

This report sets out the remuneration policy and practices for Afarak's Board and Executive Management Team ("EMT"), and provides details of their remuneration and share interests for the year ended 31 December 2015.

Remuneration Policy

Afarak operates in a very competitive sector where there is a shortage of highly qualified, experienced executives. The Group's remuneration policy is designed to attract, retain and incentivise high-calibre executives to implement its business strategy and enhance shareholder value.

The policy seeks to align the interests of the business and shareholders by rewarding executives appropriately for achieving individual and group targets and thereby ensuring long-term value creation for the benefit of all the shareholders.

Nomination and Remuneration Committee

The Nomination and Remuneration Committee makes recommendations to the Board regarding executive remuneration, and submits proposals to the Annual General Meeting of shareholders regarding the Board's remuneration.

The committee is responsible for the overall direction of the remuneration policy, as well as determining, within agreed terms of reference, the specific remuneration packages of the EMT. This includes pension rights, executive incentive schemes and any compensation payments. To ensure that the Group's remuneration packages are both appropriate and competitive, the committee evaluates information on market-based remuneration levels for comparable companies.

The members of the committee in 2015 were Dr Jelena Manojlovic (Chairman), Mr Markku Kankaala and Mr Ivan Jakovcic.

CEO Service Agreement

The Board appoints the Chief Executive Officer (CEO), who manages, develops, guides and supervises the Group's activities and leads the EMT. The Board decides upon the CEO's remuneration based on the recommendations made by the Remuneration Committee.

The CEO receives an annual salary of EUR 360,000. He shall also receive 500,000 Company Shares as an incentive for each completed year of service acting as the Chief Executive Officer, the first 500,000 Company shares shall be received on 22 May 2016 and the second 500,000 shares shall be received on 22 May 2017 if he is still acting as CEO at that time.

The Group makes no pension arrangements for the CEO beyond the statutory pension coverage, and there is no set retirement age. CEO's agreement is a definite agreement for 2 years until 30th June 2017.

Non-Executive Directors' Service Contracts

The remuneration of members of the Board of Directors is agreed at the Company's General Meetings. Directors' remuneration consists of monthly fixed fees. The Annual General Meeting held on 8 May 2014 approved that all Board Members are paid EUR 3,500 per month and the Chairman of the Board and the Chairman of the Audit and Risk Committee are paid 4,500 per month. The non-executive Board Members

who serve on the Board's Committees shall be paid additional EUR 1,500 per month for the committee work.

Those members of the Board of Directors that are executives of the company are not entitled to receive any remuneration for the Board or Committee memberships.

Other EMT Members' Service Contracts

As Afarak operates within a highly competitive environment, its performance depends on the individual contributions of the executive directors and other senior employees. The remuneration packages are designed to attract, motivate and retain executives to manage the Group's operations effectively and to reward them for enhancing shareholder value.

The EMT remuneration package is a combination of a base salary and long-term share-based incentives. Fringe benefits include liability insurance, traveller's insurance and mobile phones.

There are no early retirement options in the EMT's employment contracts, and the notice period and/or non-compete period is normally six months, unless agreed otherwise.

The table includes the Executive Management Team remuneration excluding the CEO. The CEO and Board members compensation has been presented separately.

None of Afarak's executive directors have received any compensation for serving as a NED in other companies.
