Voting instructions

I/we authorize Euroclear Finland Ltd to register my/our votes with the shares I/we own/represent in each of the items of the agenda of the Meeting as indicated with a cross (X) below.

- In case
 - no voting instructions have been indicated below, or
 - if there are more than one voting instruction on the same item, or
 - if other text or markings other than a cross (X) have been used to indicate a voting instruction, **the item will be marked "No action" when Euroclear registers the votes.** This means that shareholder's shares are not taken into consideration in the item in question. Shareholder's shares are not considered as shares represented at the meeting and the votes are not counted as cast votes with regard to the item in question.
- I/we understand that if I/we give advance votes as a representative of an entity (incl. estate), the legal representative of the entity or a person authorized by the entity must provide necessary documents to prove the right to represent the entity (e.g. trade register extract or board resolution). Documents are requested to be attached to this advance voting form. If the documents are not submitted during the advance voting period or they are otherwise incomplete, the shares of the entity will not be included as shares represented at the Annual General Meeting.
- It is recommended that a Finnish book-entry account holder votes in advance electronically in the address [the company's AGM link](#). In a situation where the Finnish book-entry account holder has voted in advance both electronically and via this advance voting form, the electronic advance vote remains valid.

Matters to be resolved at the Afarak Group SE Annual General Meeting 2026

Agenda items 8 to 16 cover proposals to the Annual General Meeting in accordance with the Board of Directors of Afarak Group SE or the nomination and remuneration committee, and in item 10 the granting of discharge of liability to those who served as board members and CEO.

- **Choosing "Null"** means giving an empty vote and shares are considered to be represented in the meeting, which is meaningful in resolutions requiring qualified majority (e.g. agenda items 16). In qualified majority items all shares represented at the Meeting are taken into account, also those who left an empty vote. Thus, if Null is selected, it affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.
- If the shareholder wants to **"abstain from voting"**, (s)he does not check any option in the agenda items, whereupon his/her number of share and votes are removed from the meeting place for the duration of the vote in question.
